4.5 If for any reason the Buyer will not accept delivery of any of the Goods when they are ready for delivery, or the Company is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:

5.3 Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the *pro rata* Contract rate against any invoice raised for such Goods.

6. RISK/TITLE

6.1 The Goods are at the risk of the Buyer from the time of delivery.

6.2 Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:

- (a) the Goods; and
- (b) all other sums which are or which become due to the Company from the Buyer on any account.

6.3 Until ownership of the Goods has passed to the Buyer, the Buyer must

- (a) hold the Goods on a fiduciary basis as the Company's bailee;
- (b) store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property;
- (c) not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;
- (d) maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company within 7 days of a request of the same; and
- (e) hold the proceeds of the insurance referred to in condition 6.3(d) on trust for the Company and not mix them with any other money, nor pay the proceeds into an overdrawn bank account.

6.4 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:

- (a) any sale shall be effected in the ordinary course of the Buyer's business at full market value; and
- (b) any such sale shall be a sale of the Company's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.

6.5 The Buyer's right to possession of the Goods shall terminate immediately if:

- (a) the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative

receiver appointed of its undertaking or any part thereof, or a resolution is passed or a petition presented to any court for the winding up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or

- (b) the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe/performance any of his/its obligations under the Contract or any other contract between the Company and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or

(c) the Buyer encumbers or in any way charges any of the Goods.

6.6 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.

6.7 The Buyer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.

6.8 The Company gives no warranty that the Goods will be fit for any specific purpose or use.

6.9 The Goods are not warranted free from defect rendering the same unmerchantable, which would not be apparent on reasonable examination, any statute or rule of law to the contrary notwithstanding.

6.10 Any claims by the Buyer regarding specification, analysis, condition, quality, or otherwise in relation to the Goods shall be notified to the Company within 3 working days after discovery thereof (or in the case of perishable goods within 24 hours of discovery) and, in any event, within 10 days after receipt by the Buyer. Failing such notification, all claims against the Company in relation to the Goods of whatsoever kind and howsoever arising shall be waived and absolutely barred.

6.11 In the event of any such notification referred to at 6.10 above, the Company shall be entitled to arrange for the Goods to be inspected as soon as reasonably practicable. Any handling of, or interference or dealing with the Goods whatsoever or howsoever by the Buyer prior to such inspection shall automatically be deemed to be unconditional acceptance of the Goods.

6.12 In the event of it being proved and certified by an independent analyst appointed by the Company that the Goods were not in conformity with the requirements of the Contract, the Company's liability shall be limited, at the Company's option to:

- (a) the delivery of replacement material (provided that the Buyer shall, where possible, have first redelivered the Goods to the Company) or;

- (b) to the granting of an appropriate credit or allowance against the Contract Price;

and any other rights or claims of the Buyer and in particular but without limitation any right to claim indirect or consequential damages including loss of profit and any claims from Buyers sub-buyers (including any claim made for an indemnity made by Buyers hereto) are expressly excluded.

6.13 It is the Buyers' responsibility at and from the time of delivery to ensure that the Goods are in all respects properly marked and packaged, and the Company will not be liable in respect of improper marking, packaging, loading, stowage, or other preparation for transport.

6.14 Save where a contrary intention is expressed in any special conditions endorsed by the Company, weight condition and quality shall be final upon shipment/dispatch according to the certificate of the Company or their suppliers. The provision of such a certificate

- 6.15 The Buyer shall arrange with a reputable firm of insurers all such insurance's as would be usual and prudent to cover any liabilities that may arise under or in connections with the Goods. If requested, the Buyer shall provide the Company with evidence of any such insurance with 7 days of any request.

If the Goods are admixed with goods the property of any person other than the Buyer the said resulting product shall become or be deemed to be owned in common with that other person.
- 6.19 If the Company repossesses the Goods under this Clause 7 including any admixed goods as referred to in Clause 6.18 and resell the same, it shall account to the Buyer or any relevant third party for any proceeds of sale in excess of the aggregate of the amounts owned by the Buyer to the Company under the Contract or any other contract or otherwise which aggregate shall include the costs incurred in repossessing and reselling the Goods including legal costs, incurred in connection therewith.
